<b>June</b>	Follow up with prospective site; interview
<b>July</b>	Response from CPE prospective site
	Notify Asst. Prof. of Field Ed of results

Fall sessions normally commence in September. Winter sessions normally commence in January/February. Summer sessions normally commence in June. Each institution is unique, and these times may vary. If there are options in your city, it is advisable to apply to more than one site. At the conclusion of the CPE session, send certificate of completion to the Registrar and final evaluation to the Asst. Professor of Theological Field Education. Contact Dr. Stephanie B. Crowder at [sbcrowder@ctsichicago.edu](mailto:sbcrowder@ctsichicago.edu) or 773.896.2423 if you have questions.
