Turnitin Overview

Turnitin is a robust, comprehensive plagiarism checker that integrates seamlessly into Canvas. This document will serve as a reference sheet of useful tutorials from Turnitin to get yourself familiarized with Turnitin. In the following sections, we'll provide a link to the full guide as well as links to important pages within the guide. Enrolling in a Thesis or a Constructive course and would like to use Turnitin to check your work, contact CTS Online Learning director at dol@ctschicago.edu to request a Turnitin account.

Using Turnitin Through Browser

- **Profile**
    - **Editing your Profile page:** https://help.turnitin.com/integrity/instructor/web/account-basics/editing-your-profile.htm
