Need-Based Scholarship Application for New Students

Dear CTS Students:

To be considered for a need-based scholarship, a student must submit a Free Application for Federal Student Aid (FAFSA) for the appropriate academic year. The FAFSA allows our office to determine preliminary eligibility by verifying the income and financial information disclosed upon submittal. Students who have completed a need-based scholarship application but have not submitted a valid FAFSA are asked to complete the latter as soon as possible.

Students may email their completed applications to financialaid@ctschicago.edu

The deadline for need-based scholarship applications is insert date here.

Thank you,

Ruy DeMagalhaes-Ortegano
